

**Kiran Kumar P.**  
**Senior Lecturer**

**e-mail:** kiran\_1975@rediffmail.com

**Education:** B. E., M. S., (Ph. D.)

**Membership of Professional Societies:** ISTE

**Professional Experience :** 10 Years

**Teaching:**

**Courses taught:**

- Elements of Mechanical Engineering
- Computer Aided Engineering Drawing
- Machine drawing
- Strength of materials
- Fluid Mechanics
- Auto CAD

**Consultancy Works Undertaken :** Special purpose machinery works

**Paper Publication:**

- Kirankumar.P, N.V.Ragahavendra and Dr B.K.Sridhara, “Heat Transfer Models for Thermal & Infrared Processing of Polymer Composites” presented at International conference conducted by Indian Society of Theoretical and Applied Mechanics, IIT Kharagpur
- Kirankumar.P, N.V.Ragahavendra and Dr B.K.Sridhara, “Comparative Analysis of Infrared cured and thermal cured Glass fiber Reinforced Polymer Composite Laminates.” Presented at International symposium conducted on Advanced Materials and processing (ISAMP 2007) at BEC Engineering College, Bagalkot.
