

ISTE STUDENT CHAPTER, BNMIT

Indian Society for Technical Education (ISTE), New Delhi is a professional organization of engineering educators and educational administrators. ISTE is the premier organization for technology in education, "Providing leadership and service to improve teaching and learning by advancing the effective use of technology in education".

Being the only national organization of educators in the field of Engineering and Technology, ISTE effectively contributes in various missions of the Union Government. The Ministry of Human Resource Development, AICTE / DST / State Govts. are well associated with the ISTE for programmes relating to technical education.

The major objective of the ISTE is to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industries and other organizations. ISTE is involved in coordinating various quality improvement programmes and organizing summer/winter school programmes for engineering colleges and polytechnic teachers.

BNMIT is an institutional member and has its ISTE student chapter since 2005.
