Research Experience Details:

Ph.D:

Topic: “Women Entrepreneurs’ Conflicts and Conflict Resolution Styles at Different Stages of Business Development-A Study on Women Entrepreneurs of Selected SME’s in and around Bengaluru”.

A significant association was found between the conflict resolution styles at different stages of business development. Impact of Self-fulfilling prophecy as a mediating variable was established. The study showed that there is no significant difference in the way women and men deal with conflicts as entrepreneurs.

Research Supervision

Two candidates have applied for Ph.D. from VTU under my guidance.
