Phd. Allowance

Our faculty members are informed that such of those who have completed 3 years of service are encouraged to pursue research work towards taking up the Ph.D. in the respective research centre of their department. The Institution has made provision to provide allowance of a sum of Rs.3000/- per month on completion of course work.

Further increase in emoluments would be considered based on the progress in research work.

Hope this will go a long way and help the staff to complete their research work on priority along with improvement in academics. We hope the faculties will make use of this benefit appropriately.
