

# BNMIT: EMPOWERING THE FUTURE NATION BUILDERS

**P**erched on a picturesque campus in south Bangalore, BNM Institute of Technology (BNMIT) was established in the year 2001 with an aim to provide quality education that meets the needs of industry professionals. Since then, BNMIT has established a covetable academic reputation and is one of the premier institutes for engineering and management courses in India.

BNMIT has been affiliated to the Visvesvaraya Technological University (VTU), Belgaum, and has recently been conferred an autonomous status by the University Grants Commission (UGC) with concurrence from VTU and the Government of Karnataka owing to its high academic standards.

Apart from personalized teaching and exceptional guidance to the students by faculty members, the campus also has eye popping infrastructure that helps in imparting quality education and ensuring a holistic development through various extra-curricular and co-curricular activities.

The institute offers UG courses in Artificial Intelligence & Machine Learning, Computer Science & Engineering, Electronics & Communication Engineering, Electrical & Electronics Engineering, Information Science & Engineering and Mechanical Engineering. Under PG programs, it has Master of Business Administration (MBA), Computer Science & Engineering (M.Tech.), and VLSI Design & Embedded Systems (M.Tech.)

Students receive an incomparable support from the institute's Placement Cell. The centre keeps a hawk's eye on the happenings in various industries, sharing their requirements and assistance in imparting the same so as to ensure the students are picked up by them. Despite the pandemic, over 147 companies visited the campus and more than 85% students have been placed this academic year.

BNMIT offers various opportunities to its students to relieve the pressure of academics. Tennis, badminton, basketball, and squash courts are complimented with a well-equipped gym. On-campus clubs include nature & adventure club, management club, cultural club, National Cadet Corps (NCC), National Service Scheme (NSS), and photography club, to mention a few. Various activities are organized under the aegis of these clubs.

In addition, the institute also provides plethora of skill development activities to make students competent in domain knowledge and prepares them for the industry.
