Department MoU's

The Department of Training & Placement has signed Memorandum of Understanding (MoU) with various organizations to provide Learning and Employment opportunities for students.

MOU with M/s Zenken to provide employment opportunities in Japan

MoU with M/s Infosys to provide learning & development for students in IT & ITES sector.

MoU with M/s NEC Technologies to provide internship & employment opportunities.

MoU with M/s Byjus to provide career guidance support & training for higher education.

MoU with M/s Princeton Review to provide career guidance support & training for higher education.

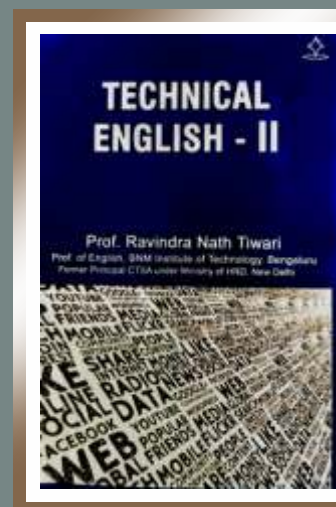

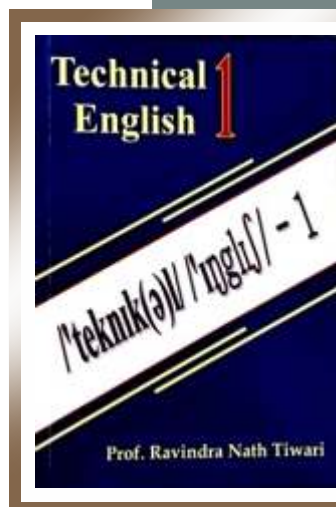

MoU with M/s Techno Serve to provide C2TC Campus To Technical Careers a Train & Hire program powered by M/s Capgemini India as a CSR activity.

MOU with M/s iPrimed to provide access for IBM Open P-Tech Learning Programme and employment opportunities.

Books Published by Department

In association with BNMIT Dr. Ravindra Nath Tiwari has published two books on Technical English for 1st & 2nd Semester B.E. students.

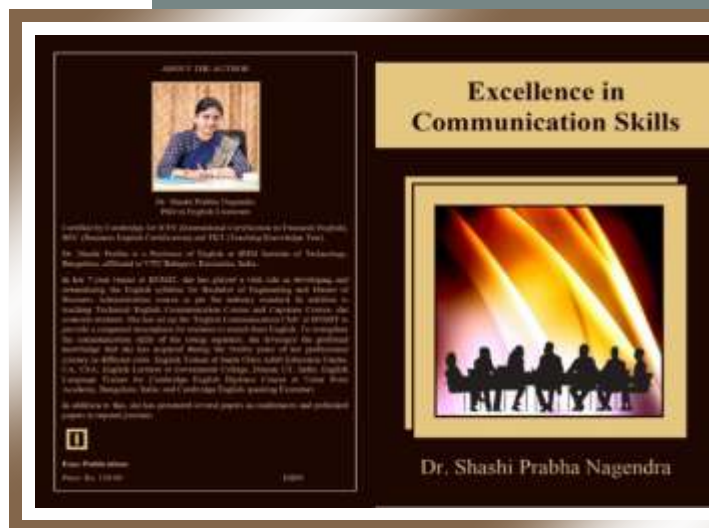

These books are a handy guide for students to prepare well on Technical English subject during their academics and to help them prepare on communication skills.

Dr. Shashi Prabha Nagendra has published a book on Excellence in Communication Skills in association with BNMIT.

The need for effective communication skills in the new millennium has surged and has become all the more important.

This book aims to enhance the self-confidence of students by enriching their English knowledge and communication skills.

Industry Supported Scholarships

Eligible Students 2018-19

Eligible Students 2019-20

Eligible Students 2020-21

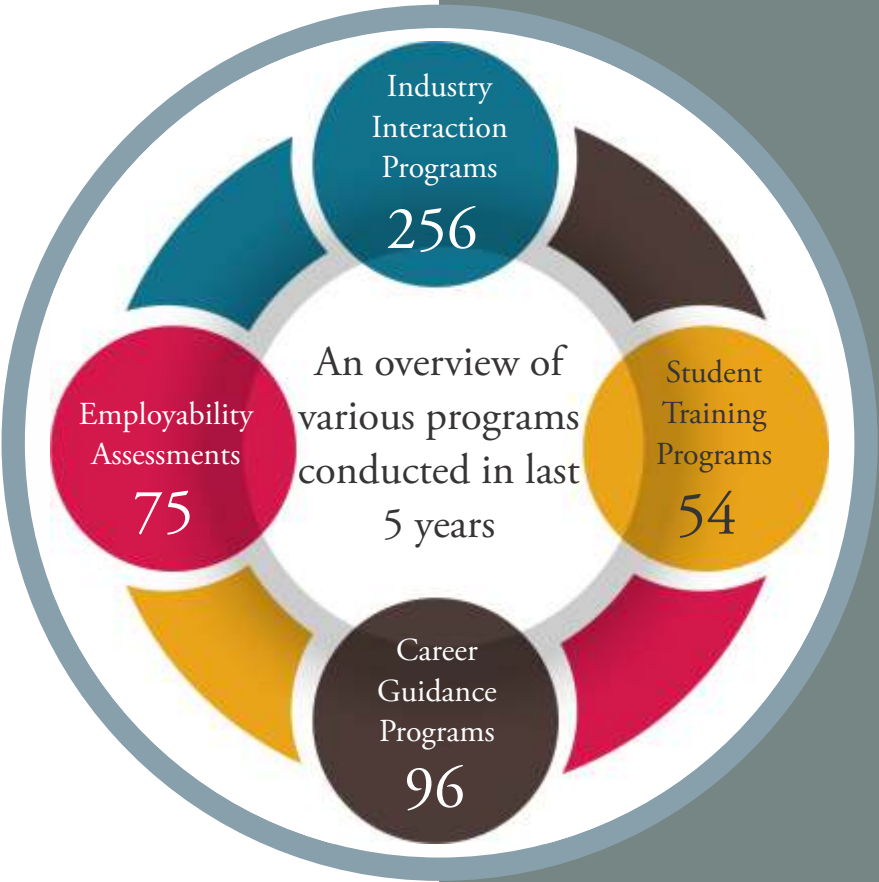

M/s. Cognizant Technology Solutions (CTS) has chosen BNMIT as the college to give scholarships to deserving and meritorious students. CTS under its CSR responsibilities has opened a division called Cognizant Foundation which gives a scholarships to two students every year based on the academic score as well as family income.

Various Industry oriented learning & development programs have been conducted by the Department of Training & Placement to enhance the competency of faculty & students to match the required industry standards.

Students are also supported in planning the best career opportunities available through professional career guidance programs and also they are trained on how to prepare & face the employers during campus interviews which helps them to choose better job opportunities and companies to work with.

What have we done so far

Various Industry Interaction programs are conducted to create the awareness about industry work environment which helps students during their on boarding process.

Students Testimonial

BNMIT has been instrument in taking me closer to my dreams!

I have not only acquired the required skills but grown as a person more. This has helped me in finding the right career path.

Bhavyadeep Purswani
Placed at M/s Nuclei
2020 Batch ECE Student

Dell Technologies was impressed with the IOT and ‘Amazon Alexa’ training given to us. The overall development programs at BNMIT have helped us to navigate through the interviews with confidence.

Manasa Deshpande
Placed at M/s Dell Technologies
2020 Batch ISE

Teachers at BNMIT have pushed me to perform my best. It has been the most amazing journey. “The one to cherish for a life time”.

Keerthana Velilani
Placed at M/s Dell Technologies
2020 Batch CSE

“Discipline and hard work have never failed anyone. BNMIT has given me the confidence of knowing that all the efforts are going to pay off. My teachers have always brought out the best in me and now am ready to take on the world”.

Bharat Atresh N
Placed at M/s NEC Technologies
2020 Batch ISE

The placement department played a very important role in advising me on all the required skills to get placed. The training courses were highly effective and resourceful in providing me ample knowledge to prepare for the interview.

Anirudh R Shandilya
Placed at M/s 42 Gears
2020 Batch ECE

Overwhelmed by its unconventional approach towards engineering, I believe academic excellence makes BNMIT stand out of the crowd. BNMIT has an ecosystem of bringing out the best from us and helped us grow not only as professionals but also as individuals.

Naman Sinha
Placed at M/s Value Labs
2020 Batch CSE

A Great Learning Journey! Meet a lot of Inspiring Minds, Loved the approach towards the Education here! BNMIT is a integrated part of my Life Journey, Thank you BNMIT!

Shubham Patil
Placed at M/s Accenture
2020 Batch MECH

I am very fortunate being a student of BNMIT , all my teachers have been helping me make the best version of myself. They have helped me improve in my academics, programming skills , provided special training programs such as T5 ,SDP(skill development program) which has molded me in a beautiful way to represent myself in the technical world.

Sanchana Satish
Placed at M/s Empower Retirement
2020 Batch ISE

Great moral support was given from the department and the college at large. Very thoughtful and wise advice was given from the placement department in order to overcome failures and get a job. Very grateful to the placement department for bringing so many companies to the college and giving students many opportunities.

Nikhil H Y
Placed at M/s Empower Retirement
2020 Batch CSE

Getting placed at KPMG wouldn't have been possible without the support and encouragement from the teachers and placement department who helped me improve my soft skills and domain skills. Apart from teaching us how to be confident, they also disciplined us the right way.

Neha Y Jain
Placed at M/s KPMG
2020 Batch ISE

With all technical & soft skills training given from the beginning, the placement department ensures that each student has a strong foundation and equal opportunities to face the company interviews.

Apart from taking these proactive steps, the department has always been open to feedback and ideas from students.

Tina P
Placed at M/s Infosys
2020 Batch CSE

My journey in BNMIT has been a very rewarding experience. BNMIT has taught me the discipline and dedication that is necessary to thrive in the corporate world today. At BNMIT, learning is not limited to one particular field, or restricted to curriculum, marks or exams rather, it is diverse and opportunities are given to everybody to pursue any field of their choice.

Meghana V
Placed at M/s BOSCH
2020 Batch EEE

My four years at BNM Institute of Technology are among the best years of my life. The staff that connects with us on an emotional level, the management that leaves no stone unturned and the faculty that is constantly driving us to do better, to be better, makes it a more special. There's something in the atmosphere of BNM that makes us wish that it lasted a lifetime. I'm proud to say that I'm an alumnus of BNMIT.

Chandana E Gowda
Placed at M/s BOSCH
2020 Batch EEE

Being a part of BNMIT has given me the right set of skills to work towards my passion. Apart from studies, IPL competition, Industry expert's talks, skill development program, T5 and TW5 programs and most importantly nature club were of my interest. The friendly faculty members make a world of difference in teaching as well as career guidance.

Vishnu S
Placed at M/s Accenture
2020 Batch EEE

Education is the best provision for life's journey and my journey in BNMIT has been shaped by a variety of great experiences including academic studies, volunteer work and extracurricular activities.

Likitha S
Placed at M/s AR Systems, Japan
2021 Batch CSE Student

My four years at BNMIT have been a wonderful experience of learning with prolific exposure to the outside world. The professors here make the Institution what it is today. The placement dept has also been very supportive..

Saba Farheen
Placed at M/s Infoblox
2021 Batch ISE Student

BNMIT has given me enough self confidence and made me realize my career goals so that I come out technically strong, more independent and become the best version of myself. It has imbibed in me a strong sense of work ethics and culture to work hard. My professors and the Placement Department made sure I get into good companies through their constant and unbeatable support. I'm really grateful to BNMIT!

Fatema Malu Bhai Wala
Placed at M/s Infoblox
2021 Batch CSE Student

BNMIT started grooming us for placements from the very beginning and provided us with various Skill development programs which boosted our confidence to face interviews and crack them. T&P department has put in all efforts to make us career ready, even in tough times of the pandemic by providing us with online trainings. BNMIT has helped me to build my career and achieve my biggest dream of getting placed in an esteemed company. Thank you BNMIT!

Lubna N
Placed at M/s Infoblox
2021 Batch ISE Student

An amalgamation of discipline and values, BNMIT has played a vital role in polishing my academics and interpersonal skills. The placement department has provided a plethora of employment opportunities for me to grab on and to give a head start to my career. Constant guidance from my teachers has shaped me into a competent engineer. It fills my heart with immense joy to have been associated with BNMIT for four wonderful years.

Samhitha S
Placed at M/s Empower Retirement
2021 Batch ISE Student

BNM Institute of Technology has always believed in helping and guiding its students and it was no different during the placement season. Regular classes held at our college to help us with our aptitude and technical skills were of great help. Our placement administration officers also guided and encouraged us at each step thereby helping me secure my placement at such a reputed company.

Pratyush Raj
Placed at M/s Empower Retirement
2021 Batch ECE Student

During my time at BNM, the T&P department gave extensive training & made sure that I was ready for selections of prestigious organizations. Aside from placement department, there was great support from professors other faculty to upgrade our skills and learn new technologies. I am extremely grateful to them for their continued guidance.

Ashish V Gautham
Placed at M/s Accenture
2020 Batch EEE

The Training and Placement department has always been very proactive about the skills and exposure that is given to us before facing the interviews. Training and numerous tests were given very early on to improve our performances. We were also given the opportunity to take part in various workshops, which helped us to further broaden our spectrum. I am very thankful to the T&P department and all my teachers for the constant support and encouragement in helping me shape myself well, to fit into today's requirements.

Aishwarya S
Placed at M/s 42 Gears
2021 Batch ISE Student

BNMIT is the best place to get knowledge. A very comfortable environment is provided for the students with respect to learning. Through BNMIT placements, I got placed in the most reputed company, EY GDS(Ernst and Young). Any enthusiastic student can get placed with the wonderful guidance of placement officers. Many thanks to BNMIT College and Placement cell for giving me such a wonderful opportunity to learn and get placed.

Vijaya Durga K
Placed at M/s EY GDS
2021 Batch M.Tech-CSE Student

The contribution of BNMIT has been instrumental in shaping my career. It is a place where one can find an amalgamation of learning and the campus is full of infinite opportunities to grab on. The Management and the faculty are very helpful and motivating throughout. Exposure to various webinars, workshops and skill development programs inspired us to broaden our horizons. The teaching techniques will not only make subjects seem easy but will also help in retaining concepts for a lifetime. The Placement team supported me to get an internship opportunity at Adobe. Adequate training and mock tests were conducted by the Placement department to enhance our knowledge on quantitative aptitude, logical and verbal reasoning. I thank the College Management and the Staff for moulding me to face the competitive world.

Mahima R
Placed at M/s Adobe
