About BNMIT

B N M Institute of Technology was established in the year 2001. It has achieved academic laurels and is one of the top preferred institutes in technical education in Karnataka. BNMIT has been granted Autonomous Status since June 2021 by UGC and VTU. BNMIT, a lush green campus is located at Banashankari, Bengaluru, a quiet and well-known locality with easy access to all essential facilities. BNMIT offers Engineering courses in Electronics and Communication Engineering, Electrical and Electronics Engineering, Computer Science and Engineering, Information Science and Engineering, Mechanical Engineering, and Artificial Intelligence and Machine Learning (AIML).

The institute also offers post graduate programs in VLSI Design and Embedded systems, Computer Science & Engineering, and Master's in Business Administration. The institute is accredited by NAAC with 'A' Grade and all the eligible UG programmes are accredited by NBA, New Delhi. Department of Science & Technology has funded Rs. 2.87 Crores towards New Gen Innovation and Entrepreneurship Development Centre (IEDC). BNMIT has some more feathers on its cap; it's ranked (150-300)th by NIRF INNOVATION-2023, Diamond Rating by QS I-Gauge, 26 Rank by TIME Survey, 34th Rank by Outlook and 40th Rank by Data Quest.

About Tatva

TATVA, an inter-college techno-cultural festival of **BNM Institute of Technology**, is organized by the student community of BNMIT.

TATVA is eagerly anticipated as an inter-collegiate fest throughout Bengaluru. It attracts top **technical** and **non-technical** talent to compete, demonstrate their proficiency, and represent their colleges with a competitive and enterprising spirit.

Each event of **TATVA** is meticulously designed to present a unique challenge and stimulate **innovative** and **out-of-the-box thinking**. **TATVA 2024** is projected to host over **3000** students.

Arishem

Dive into a future where humanity shatters the cosmic cage! Our story explores a world where groundbreaking technology transcends the boundaries of space and time.

Witness a society forever changed, where humanity grapples with profound questions about existence and the very meaning of life. This is a tale that explores the wonders and challenges of a future where we are no longer bound by the limitations of the present.

Arishem is this year's theme and we hope to help you break out of your cosmic cage and blah blah blah.
