Industrial Visit Details

Sl. No.	Academic year	Industry visited	Date of visit	Semester	No. of Students	Impact analysis
1	2023-24	BMRCL	21/02/2024	VI	57	The visit gave an insight into the practical working various electrical concepts in metro train system
		Varahi Hydro Power Plant	17/11/2023	VII	42	The visit gave an insight into the practical working of Hydro power plant. Students benefited on the concept of power generation.
2		Sharavathi power generation plant	16/11/2023	VII	42	The visit gave an insight into the practical working of Hydro power plant. Students benefited on the concept of power generation.
3		6th India Manufacturing Show 2023	03/11/2023	VII	45	The visit helped the students to interact with experts from various industry under one roof.
1	2022-23	Sharavathi power generation plant near Jog falls	17/12/2022	VII	43	The visit gave an insight into the practical working of Hydro power plant. Students benefited on the concept of power generation.
2		KPCL- Bellary Thermal Power Station,	01/12/2022 to 03/12/2022	V	42	The visit gave an insight into the practical working of Thermal power plant. Students benefited on the concept of power generation.
3		Munirabad Power House				The visit gave an insight into the practical working of Hydro power plant. Students benefited on the concept of power generation.
4		Hot Line Training Centre (HLTC), Kanakapura Road Bengaluru	23/08/2022	IV	38	The visit gave an insight into the Live Line Maintenance of EHV Lines & Switch Yards, Punctured Insulator Detection, Live Line Insulator Washing
1	2021-22	EXCON 2022	20/05/2022	VI	42	The visit helped the students to interact with experts from various industry under one roof.
2		Orb Energy, Bengaluru	28/05/2022	IV	32	Students gave very good feedback, it was encouraging. The visit gave an insight into the practical working of renewable energy system solar. Students benefited on the concept of power generation.
