### About the Conference

In view of the grand success of the third 3<sup>rd</sup> International Conference on Intelligent and Innovative Technologies in Computing, Electrical and Electronics (ICIITCEE 2025) organized by BNM Institute of Technology, Bengaluru, India on 16<sup>th</sup> and 17<sup>th</sup> January 2025, the management and the organizers are coming with the 4<sup>th</sup> ICIITCEE 2026. The conference received overwhelming response from researchers, academicians and industry. Totally 500 papers were accepted, presented, and published in IEEE Xplore. This year, 4<sup>th</sup> ICIITCEE 2026 will be held on 22 and 23 January 2026. This conference will feature a comprehensive technical program including several special sessions and workshops. The goal of ICIITCEE 2026 is to provide an outstanding forum for academicians, researchers, practitioners, policymakers, and students to exchange ideas, techniques and tools, raise awareness, and share experiences related to all practical and theoretical aspects of intelligence and innovations in engineering.

ICIITCEE 2026 focuses on issues and solutions involving Intelligent and Innovative Technologies in Computing, Electrical and Electronics. Developments in the field of Computing, Electrical and Electronics are very complex and advance rapidly as changes occur on day-to-day basis.
