International Conference on Applied Sciences and Advanced Materials (ICASAM - 2025)

Date: 28.11.2025 & 29.11.2025

Event Name: International Conference on Applied Sciences and Advanced Materials
(ICASAM - 2025)

Department: Department of Mechanical Engineering, Physics, Chemistry & Mathematics

College: BNM Institute of Technology

Brief report about the Conference:

International Conference on Applied Sciences and Advanced Materials (ICASAM 2025) was held on the 28th and 29th of November 2025. The conference was jointly organized by the Departments of Physics, Chemistry, Mathematics, and Mechanical Engineering in hybrid mode, enabling active participation from both online and offline delegates. The inaugural function was graced by the esteemed Chief Guest, Prof. E. S. Dwarakadasa, Chairman of KHMD, Bengaluru, and former Professor of Materials Engineering at IISc Bengaluru. The two-day conference comprised 09 Invited Lectures and 26 Technical Sessions conducted in 22 tracks.

More than 170 research papers were presented out of which 40 were online presentations by scholars and students from prestigious institutions, including IISc Bengaluru, Karunya University, Coimbatore, KKIT Coimbatore, Jamia Millia Islamia, Central University, New Delhi, Vijayanagar Sri Krishnadevaraya University, VTU, Bangalore University, Presidency University, Reva University, Government Engineering College Chamarajanagar, and several others. Selected papers will be published in the Cureus Journal of Engineering, a Springer Nature publication.
