EMPOWERING TOMORROW'S LEADERS THROUGH INNOVATIVE EDUCATION

HKBK College of Engineering, Bengaluru, renowned for its commitment to academic innovation and quality, offers a diverse array of undergraduate, postgraduate, and doctoral programs in engineering and management.

HKBK GROUP OF INSTITUTIONS
www.hkbk.edu.in

HKBK fosters an environment where learning is not just a process but an enjoyable experience. The institution located conveniently opposite Maragata Tech Park, ensures a congenial atmosphere on its serene campus. HKBK holds prestigious accreditations such as NBA and NAAC. The faculty members dedicated to teaching and research, provide personalised attention to students, guiding them towards academic and professional success.

With advanced facilities including libraries, discussion rooms, playgrounds, and laboratories, HKBK offers holistic

learning, conducive to intellectual growth and exploration. The institution has consistently achieved good passing results and university ranks. HKBK boasts strong ties with industry

leaders, offering students opportunities for real-world research, internships, and placements. Collaborations with renowned organisations ensure hands-on experience and exposure in latest technology and business advancements. HKBK's robust placement cell facilitates interactions with over 200 employers annually. Companies like Wipro, Infosys, Dell and esteemed defense service organizations actively seek HKBK graduates. Thus, HKBK has emerged as a dynamic hub of learning, innovation, and opportunity, empowering students to realise their fullest potential and emerge as leaders in their chosen fields.

FOR THE CRITICAL THINKERS OF TOMORROW

HARIDWAR UNIVERSITY: CULTIVATING TOMORROW'S VISIONARY TECHNOCRATS AND ENTREPRENEURS THROUGH MULTIDISCIPLINARY IMPECCABILITY

Best University Award by Hon'ble CM, Govt. of Uttarakhand

Inspired by the vision of Make in India, Skill India, coherent with the rapid digitization and enhancing startups, Haridwar University is way ahead in mentoring the students to become world class technocrats & entrepreneurs with integrity professionalism and ethics. Based on NEP 2020, Students are made richer in cognitive skills, reasoning, innovation and keeping pace with the current trends with multidisciplinary approach. Multidisciplinary studies have now overstepped the trend of 21st century with its wide range of transformational perspectives. HUI is quite aggressive in pro-

viding demand led and competency-based study, instead of following conventional pattern. Critical thinking skills are developed to jump across disciplinary boundaries. This makes the students well equipped in flexibility, adaptability, PEEL and solving skills, using latest technology to become outstanding achievers, leaders and stakeholders. Needless to say Collaboration with the well-known corporations like NASSCOM, L&T EDU has inspired the students with valuable inputs, practical experiences in real world problem solving. L&T has been conducting short term & long-term value-based courses, not only to make academic professionals in latest technology but also industry ready L&T is infusing knowledge in AI, Python, Cyber security, ML,

etc. to the students which will encourage to fulfil the needs of the day. To cultivate a strong culture of entrepreneurship, startups and incubators besides focus on research and innovation, University is running programs like MBA Global, Retail & Pharma Management which are accepted globally. MBA Global are assumed to have assured placement letter. Final outcome of all these efforts is reflected by the placements. Their students are regularly getting placed with a remarkable record placement, the highest package offered as of 85 LPA with an average package of 16 LPA.

Haridwar University is proud to embrace technology as an enabler of education. They are committed to provide the students with cutting edge tools, latest programs and platforms, ensuring that they are equipped to lead in the digital future and fulfil the dream to make India a "Vishwaguru".
