Call for Proposals under BNMIT-Intramural Research Grant Scheme

14.07.2026

Call for proposals are open under the **BNMIT-Intramural Research Grant scheme**. This scheme is for innovative student project funding. All the HoDs are hereby requested to submit 10 innovative student projects for the same.

Below are the details of the scheme:

- The intramural research grants are open to students to conduct innovative and breakthrough research during their 2nd to 4th year of B.E course.
- Every year best projects will be selected across all the departments after a systematic screening of applications.
- The selected projects under this grant scheme should follow the mentioned guidelines.
- The project can have 2-4 students and one mentor (mandatory).
- The funding is given in different levels with each level having a timeline of 3 months.
- The funding is upto Rs.50,000 (all actuals).
- Attached the proposal format

Kindly submit the hardcopy of the proposal on or before 30th July 2026 to ED Cell-BNMIT.
